

CPAR & CFC Annual Banquet

The CPAR (Certified Patient Account Representative) and CFC (Certified Financial Counselor) annual banquet was held on January 8th, 2010 at Maggiano's in Buckhead. It was a frigid, winter day complete with snow flurries and icy roads.

In spite of the foul weather, many new CPAR and CFC graduates made the trip and were recognized for their individual and organizational achievements. Congratulations to you all on your recent accomplishment!
