

Founders Merit Award

Recognizing the Volunteer in You

By Donna Casey

Our members put in a lot of time and effort toward making HFMA the great organization it is. All of this time and effort is done on a volunteer basis, and members earn Founders Points for their volunteer service. Founders Points are earned for the following volunteer activities:

- Serving as an Officer or Board Member for the chapter
- Serving as a chair, co-chair or member of a committee
- Writing articles for the chapter newsletter
- Speaking at forums or institutes

There are 4 award levels for Founders Points:

- The William G. Follmer Bronze Award – 25 points
- The Robert H. Reeves Silver Award – 50 points
- The Frederick T. Muncie Gold Award – 75 points
- The Founders Medal of Honor Award - by nomination by Chapter Board of Directors

We want to make sure we are recognizing the volunteer efforts of our members. In order to do this, we need your help. Each member should check his/her Founders Points to make sure they are correct. To do this, go to the National HFMA website www.hfma.org, login with your username and password, and click on Founders Points on the top right side of the screen. This should bring up a list of all of the points you have earned through your volunteer service. If you find an issue with the points we have logged for you, please contact me at dcasey@floyd.org and let me know so corrections can be made.
