Georgia HFMA Corporate Sponsorship Campaign for 2010-2011 is about to get under way. Thanks to all of our sponsors who have been so generous in the past. We invite you to continue your support of the Georgia Chapter and invite any other companies that would like to participate for the coming year to let us know your interest. An overview of this year's program can be viewed on the Chapter website under the Corporate Sponsorship tab. We expect some additional benefits to this year's program but the levels will likely remain the same. Please feel free to contact Karen Newton (President-Elect) at knewton@cahga.com with any questions or interest you might have. The 2010-2011 Corporate Sponsorship year runs June 1, 2010 through May 31, 2011. Corporate Sponsorship is critical to the success of the Georgia Chapter and our ability to provide exceptional educational and networking opportunities for our members.
