

## Georgia HFMA Leadership Series

Invest in the potential of your future leaders in this first-time offering of the **Georgia HFMA Leadership Series**. These four sessions, held at each quarterly Institute, will transform managers into leaders and at an unprecedented value for high quality leadership education. Advanced reservations are encouraged. Reserve a spot now at each Institute –this exclusive Leadership Series is **limited to the first 50 paid applicants**.

- Choose between attending the leadership track as a component of the full Institute agenda at the regular Institute rate, or target **ONLY** the Leadership Series for \$120 each Institute (Thursday only, except for Summer Institute which will be held on Thursday morning and Friday morning)
- Attendees who complete the entire Leadership Series at all four Institutes will be individually recognized and receive a certificate of accomplishment at the 2012 Spring Institute Banquet.
- Open to providers and vendors.
- Taught by Shawn Evans, expert in strategic leadership and internal organizational development consultant with Poudre Valley Health System, a Malcolm Baldrige National Quality Award winner.
- Because space is limited, HFMA members will receive priority if demand exceeds the number of available slots.
